Work Experience

FOUNDER AGILITY FITNESS AND TECHNOLOGY

Agility Fitness and Technology - Annawan, IL
2015 to Present

Developing iOS fitness applications built with swift and deployed via iTunes/App Store Connect. Additional projects are also available on Github. <https://github.com/david-p-lang>, https://appsite.skygear.io/qt_run/

PHYSICIAN (OBSTETRICS AND GYNECOLOGY)

GENESIS MEDICAL CENTER
2009 to 2017

Helped build a new practice which grew rapidly. Supported an additional practice with a large high risk obstetric population. Per diem and contract basis.

PHYSICIAN (OBSTETRICS AND GYNECOLOGY)

GENESIS MEDICAL CENTER - Geneseo, IL
2011 to 2015

Obstetrics and Gynecology physician, Chair Obstetrics Department, Member Quality Review Committee. Trained surgical team on minimally invasive laparoscopic hysterectomy. Evaluate and Hospital employed physician in a rural solo practice, providing obstetric, gynecology and women's health preventative medicine.

Expanded minimally invasive surgical options including total laparoscopic hysterectomy, endometriosis treatment, and endometrial ablation. Trained surgical staff on these procedures. Performed complex laparoscopic procedures without the aid of a surgical robot, in a small hospital setting.

Hospital maintained patient satisfaction surveys showed 4.8 out of 5 patients would recommend me as a physician.

Served on the quality improvement committee, and on the obstetric committee. Served as the committee chairperson, and on the subcommittee to develop the maternal hemorrhage policy and protocols. Promoted baby friendly practices and breast feeding education.

Worked with the IT department to develop physician order sets and physician documentation. We also developed a custom implementation of the hospitals electronic medical record (Meditech) for

use in the office. Collaborated with nursing staff and IT to improve the off the shelf nursing EMR documentation during magnesium sulfate administration.

Developed scripts to use off shelf dictation components with the EMR.

RESIDENT PHYSICIAN

ST FRANCIS MEDICAL CENTER - Peoria, IL
2007 to 2011

Provided obstetrics and gynecology care for local and regional patient. St Francis is the perinatal regional referral center for Central Illinois.
